Adenna NPF

Nitrile, Powder Free Examination Gloves

Adenna NPF Nitrile Powder Free Examination Gloves offer a high valued and dependable solution to those allergic to natural latex protein. These gloves, formulated with 100% synthetic nitrile polymer, are latex free, powder free and odor free. The unique thermal sensitive polymer compound absorbs body heat and easily conforms to user's hands; thus, exerts virtually no pressure on the hands and reduces fatigue after extended wear.

Features & Benefits

- 100% synthetic nitrile polymer
- Softer and more elastic than other nitrile gloves without latex additives
- 100% latex free eliminates potential allergic reactions to latex protein
- Textured surface provides strong grip for both wet and dry applications
- Superior puncture, tear and chemical resistance with excellent dexterity
