

## Safety Data Sheet

Effective Date: March 18, 2016

Version: 1.0

Product Name: Ultra High Def™ Black HRP,110 ml

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### 1.1 Product identifier

|            |  |
|------------|--|
| Trade name | Ultra High Def™ Black HRP,110 ml   |
| Cat ##     | CRM-001-110  |
| Components | Imidazole,3'3-Diaminobenzidine Tetrahydrochloride Hydrate, 3,5-Diaminobenzoic acid |
| EC         | 288-32-4, 206-019-2, 200-679-5, 231-018-9  |
| CAS        | 68-12-2, 868272-85-9, 535-87-5   |

#### 1.2 Relevant identified uses of the substance or mixture and uses advised against

Liquid reagents represented by two components: Buffer and Chromogen

#### 1.3 Manufactured For:

StatLab Medical Products  
2090 Commerce Drive  
McKinney, TX 75069  
(800) 442-3573  
statlab.com

#### 1.4 Emergency telephone number

Chemtrec: 800-424-9300 (USA & Canada)  
Chemtrec: 703-527-3987 (international)  
Non-transport: 972-436-1010 (USA)

### SECTION 2: Hazards Identification

#### 2.1 Classification of the substance or mixture

| UHD Black Substrate Buffer                       |                                  |          |  |
|--|----------------------------------|----------|--|
|  | Hazard Class                     | Category | Hazard Statements (H-Statements)   |
| Imidazole  | N/A                              | N/A      | R22 – Harmful if swallowed<br>R34 – Causes burns<br>R61 – May cause harm to the unborn child |
| UHD Black/HRP Chromogen                          |                                  |          |  |
|  | Hazard Class                     | Category | Hazard Statements (H-Statements)   |
| N-N-Dimethylformamide                            | EC: 200-679-5<br>CAS: 68-12-2    | N/A      | R61, R20/21, R36   |
| 3,3'-Diaminobenzidine Tetrahydrochloride Hydrate | EC: 231-018-9<br>CAS:868272-85-9 | N/A      | H341, H350<br>R45, R68   |
| 3,5-Diaminobenzoic acid                          | EC: N/A                          | N/A      | R38  |

## SECTION 3: Composition/information on ingredients

| UHD Black Substrate Buffer                       |                                   |                                 |                                      |
|--|-----------------------------------|---------------------------------|--------------------------------------|
| Name   | Identifiers                       | Classification according to CLP | Classification (for pure substances) |
| Imidazole  | EC: 206-019-2<br>CAS: 288-32-4    | Concentration: 0.5-<2%          | R22, R34, R61                        |
| UHD Black/HRP Chromogen                          |                                   |                                 |                                      |
| Name   | Identifiers                       | Classification according to CLP | Classification (for pure substances) |
| N-N-Dimethylformamide                            | EC: 200-679-5<br>CAS: 68-12-2     | Concentration: <1%              | R61, R20/21, R36                     |
| 3,3'-Diaminobenzidine Tetrahydrochloride Hydrate | EC: 231-018-9<br>CAS: 868272-85-9 | Concentration: <1%              | H341, H350<br>R45, R68               |
| 3,5-Diaminobenzoic acid                          | EC: N/A<br>CAS: 535-87-5          | Concentration: <0.5%            | R38                                  |

## SECTION 4: First aid measures

### 4.1 Description of first aid measures

|                   |   |
|-------------------|---|
| <b>If inhaled</b> | Move to well-ventilated area and keep at rest in a position comfortable for breathing. If individual is not breathing, begin artificial respiration immediately and obtain medical attention. |
| <b>If on skin</b> | Immediately flush with copious amounts of water for at least 15 minutes. Remove contaminated clothing and shoes. If pain or irritation occurs, obtain medical attention.                      |
| <b>If in eyes</b> | Immediately wash eyes gently under running water for 15 minutes or longer,  |

## Safety Data Sheet

Effective Date: March 18, 2016

Version: 1.0

Product Name: Ultra High Def™ Black HRP, 110 ml

|   |  |
|---|--|
|   | making sure that the eyelids are held open. If pain or irritation occurs, obtain medical attention.  |
| <b>If swallowed</b>                       | Rinse mouth with water. Remove victim to fresh air and keep at rest in a position comfortable for breathing. If the exposed person is conscious, give small quantities of water to drink. Immediately seek medical attention and call poison control center. Do not induce vomiting unless directed to do so by medical personnel. |
| <b>Self-protection of the first aider</b> | N/A  |

### ***4.2 Most important symptoms and effects, both acute and delayed***

N/A

### ***4.3 Indication of any immediate medical attention and special treatment needed***

N/A

## **SECTION 5: Firefighting measures**

### ***5.1 Extinguishing media***

|                                       |                                  |
|---------------------------------------|----------------------------------|
| <b>Suitable extinguishing media</b>   | Extinguish using suitable agents |
| <b>Unsuitable extinguishing media</b> | N/A                              |

### ***5.2 Special hazards arising from the substance or mixture***

|                                      |   |
|--------------------------------------|---|
| <b>Hazardous combustion products</b> | No combustion products posing significant hazards are expected from this product (a dilute aqueous solution). |
| <b>Other information</b>             | N/A   |

### ***5.3 Advice for firefighters***

Wear protective clothing containing self-contained breathing apparatus.

## **SECTION 6: Accidental release measures**

### ***6.1 Personal precautions, protective equipment and emergency procedures***

|                                 |   |
|---------------------------------|---|
| <b>Protective equipment</b>     | Ensure adequate ventilation<br>Eye Protection: Wear goggles or safety glasses<br>Hand protection: Wear latex or vinyl gloves<br>Other protective equipment: Use lab coat or apron to prevent contact with eyes, skin and clothing |
| <b>Emergency procedures</b>     | N/A   |
| <b>For emergency responders</b> | N/A   |

### ***6.2 Environmental precautions***

Do not allow to enter sewage system

### ***6.3 Methods and material for containment and cleaning up***

|                        |   |
|------------------------|---|
| <b>For containment</b> | N/A   |
| <b>For cleaning up</b> | Use universal precautions during clean up procedures. As a precautionary measure, treat spilled material with a 1:10 bleach/water solution. Use |

## Safety Data Sheet

**Effective Date:** March 18, 2016

**Version:** 1.0

**Product Name:** Ultra High Def™ Black HRP,110 ml

|                          |   |
|--------------------------|---|
|                          | liquid absorbent material to absorb liquid and place in container suitable for disposal. Avoid generation of aerosols during clean up. Comply with applicable waste disposal regulations. |
| <b>Other information</b> | N/A   |

### 6.4 Reference to other sections

|     |
|-----|
| N/A |
|-----|

## SECTION 7: Handling and storage

### 7.1 Precautions for safe handling

|  |   |
|--|---|
| <b>Measures to prevent fire</b>                        | N/A   |
| <b>Measures to prevent aerosol and dust generation</b> | N/A   |
| <b>Measures to protect the environment</b>             | N/A   |
| <b>Advice on general occupational hygiene</b>          | Universal precautions should be followed when using this product. Wear personal protective equipment. Ensure adequate ventilation. Do not breathe vapors or spray mist. Avoid contact with skin and eyes. Do not ingest. Do not eat, drink when handling this product, and wash hands after handling. |

### 7.2 Conditions for safe storage, including any incompatibilities

|   |  |
|---|--|
| <b>Technical measures and storage conditions</b>  | Store at 2°C to 8°C  |
| <b>Packaging materials</b>                        | N/A  |
| <b>Requirements for storage rooms and vessels</b> | Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials (see Section 10) and food and drink. Keep container tightly closed and sealed until ready for use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination. |
| <b>Storage class</b>                              | N/A  |
| <b>Other information</b>                          | N/A  |

### 7.3 Specific end use(s)

|   |     |
|---|-----|
| <b>Recommendations</b>                      | N/A |
| <b>Industrial sector specific solutions</b> | N/A |

## Safety Data Sheet

Effective Date: March 18, 2016

Version: 1.0

Product Name: Ultra High Def™ Black HRP,110 ml

### SECTION 8: Exposure controls/personal protection

#### 8.1 Control parameters

This product does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies. Ensure adequate ventilation, especially in confined areas. Ensure that eyewash stations and safety showers are close to the workstation location.

#### 8.2 Exposure controls

|                                 |  |
|---------------------------------|--|
| <b>Respiratory Protection</b>   | Use a properly fitted, air-purifying or air-fed respirator complying with an approved standard if a risk assessment indicates this is necessary. Respirator selection must be based on known or anticipated exposure levels, the hazards of the product and the safe working limits of the selected respirator   |
| <b>Skin and body protection</b> | Chemical-resistant, impervious gloves complying with an approved standard should be worn at all times when handling chemical products if a risk assessment indicates this is necessary. Considering the parameters specified by the glove manufacturer, check during use that the gloves are still retaining their protective properties. It should be noted that the time to breakthrough for any glove material may be different for different glove manufacturers. In the case of mixtures, consisting of several substances, the protection time of the gloves cannot be accurately estimated. |
| <b>Eye/face Protection</b>      | Safety eyewear complying with an approved standard should be used when a risk assessment indicates this is necessary to avoid exposure to liquid splashes, mists, gases or dusts. If contact is possible, the following protection should be worn, unless the assessment indicates a higher degree of protection: safety glasses with side-shields.  |
| <b>Hygiene Measures</b>         | Wash hands, forearms and face thoroughly after handling chemical products, before eating, smoking and using the lavatory and at the end of the working period. Appropriate techniques should be used to remove potentially contaminated clothing. Wash contaminated clothing before reusing. Ensure that eyewash stations and safety showers are close to the workstation location.  |

### SECTION 9: Physical and chemical properties

#### 9.1 Information on basic physical and chemical properties

|                        |        |
|------------------------|--------|
| <b>Appearance</b>      | Liquid |
| <b>Odor</b>            | N/A    |
| <b>Order Threshold</b> | N/A    |
| <b>pH</b>              | N/A    |

| Oxidizing Properties                         | N/A |

### 9.2 Other Information

N/A

## Section 10: Stability and Reactivity

### 10.1 Reactivity

N/A

### 10.2 Chemical Stability

Stable under recommended storage conditions

### 10.3 Possibility of Hazardous Reactions

N/A

### 10.4 Conditions to Avoid

Strong prolonged heat and contact with incompatible materials

### 10.5 Incompatible Materials

Strong Acids, Strong Bases, Strong Oxidizers, Metals and Metallic compounds

### 10.6 Hazardous Decomposition Products

N/A

## SECTION 11: Toxicological Information

### UHD Black Substrate Buffer

Imidazole (in pure form): ORAL (LD50): Acute: 220 mg/kg [Rat].

## Safety Data Sheet

Effective Date: March 18, 2016

Version: 1.0

Product Name: Ultra High Def™ Black HRP,110 ml

|   |   |
|---|---|
| <b>Common routes of entry</b>   | Ingestion, Eye contact, Inhalation  |
| <b>Potential Effects of Acute Exposure</b>                                  | Very hazardous in case of skin contact (irritant), of eye contact (irritant), of ingestion, of inhalation. Inflammation of the eye is characterized by redness, watering, and itching. Skin inflammation is characterized by itching, scaling, reddening, or, occasionally, blistering. |
| <b>Potential Effects of Chronic Exposure</b>                                | Very hazardous in case of skin contact (irritant), of eye contact (irritant), of ingestion, of inhalation   |
| <b>Symptoms of Overexposure</b>   | N/A   |
| <b>UHD Black/HRP Chromogen</b>  |   |
| <b>N-N-Dimethylformamide (in pure form):</b> mouse LD50 oral 2800mg/kg      |   |
| <b>Common route of entry</b>  | Ingestion   |
| <b>Potential Effects of Acute Exposure</b>                                  | It causes mild skin irritation and serious eye irritation. It is not a skin sensitizer.   |
| <b>Potential Effects of Chronic Exposure</b>                                | Frequent inhalation of small concentrations may cause irritability, fatigue and memory failure and eventually permanent damage to the nervous system, including the brain. May cause harm to unborn child.  |
| <b>Symptoms of Overexposure</b>   | N/A   |
| <b>3,3'-Diaminobenzidine Tetrahydrochloride Hydrate (in pure form):</b> N/A |   |
| <b>Common routes of entry</b>   | Oral, Dermal, Inhalation  |
| <b>Potential Effects of Acute Exposure</b>                                  | Exposure to decomposition products through inhalation may cause a health hazard. Serious effects may be delayed following exposure. No known significant effects or critical hazards for ingestion, skin contact and eye contact.   |
| <b>Potential Effects of Chronic Exposure</b>                                | May cause cancer. Risk of cancer depends on duration and level of exposure. May cause heritable genetic effects.  |
| <b>Symptoms of Overexposure</b>   | N/A   |
| <b>3,5'-Diaminobenzoic Acid (in pure form):</b> Rat LD50 1800mg/kg          |   |
| <b>Common routes of entry</b>   | N/A   |
| <b>Potential Effects of Acute Exposure</b>                                  | N/A   |
| <b>Potential Effects of Chronic Exposure</b>                                | N/A   |
| <b>Symptoms of Overexposure</b>   | N/A   |

## SECTION 12: Ecological Information

### 12.1 Toxicity

## Safety Data Sheet

Effective Date: March 18, 2016

Version: 1.0

Product Name: Ultra High Def™ Black HRP, 110 ml

N/A

### **12.2 Persistence and Degradability**

N/A

### **12.3 Bioaccumulative potential**

N/A

### **12.4 Mobility in Soil**

N/A

### **12.5 Results of PBT and vPvB Assessment**

N/A

### **12.6 Other Adverse Effects**

N/A

## **SECTION 13: Disposal Considerations**

### **13.1 Waste Treatment Methods**

The generation of waste should be avoided or minimized wherever possible. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Waste should not be disposed of untreated to the sewer unless fully compliant with the requirements of all authorities with jurisdiction. Waste packaging should be recycled. Incineration or landfill should only be considered when recycling is not feasible. This material and its container must be disposed of in a safe way. Empty containers or liners may retain some product residues. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

## **SECTION 14: Transport Information**

### **14.1 Un Number**

N/A

### **14.2 Un Proper Shipping Name**

N/A

### **14.3 Transport Hazard Class (es)**

N/A

### **14.4 Packing Group**

N/A

### **14.5 Environmental Hazards**

## Safety Data Sheet

Effective Date: March 18, 2016

Version: 1.0

Product Name: Ultra High Def™ Black HRP, 110 ml
