

Material Safety Data Sheet

1. Identification of the Substance/preparation and of the company/undertaking

Identification of the Product: Proteinase K V.2 for HistoSonda XISH

Manufacturer Identification: Cenbimo S.L.

C/Doctor Iglesias Otero S/N

27004 Lugo Spain Phone +34 982 230 810

2. Composition/Information on Ingredients

No hazardous components at declarable concentrations.

3. Hazard Identification:

No hazards have been described for this product.

4. First Aid Measures

Eye Contact: Immediately flush with continuously running

water

Skin Contact: Immediately wash affected area with soap and

water

Ingestion: Seek medical attention.

Inhalation: Move to a well ventilated area and seek medical

attention if necessary

5. Firefighting Measures

Extinguishing Media: Extinguish using any suitable agents.

Special Firefighting Procedure: None described. Unusual Fire & Explosions Hazards: None described.

6. Accidental release measures

Person related precuationary measures: Avoid substance contact.

Procedures for cleaning/absorption: Use liquid absorbent material to absorb spill.

Environmental Protection measure: None described.

7. Handling and storage

Handling: Without special requirements.

Storage: -14°C/-24°C until use or expiry.

8. Exposure controls / personal protection

Eye protection: None

Hand protection: Use any standard laboratory gloves

Respiratory protection: None Ventilation: None Other protective equipments: None

9. Physical and chemical properties

Appearance: Clear liquid Odor: Odorless

Solubility: Miscible with water

pH: 7.4

10. Stability and reactivity

Conditions to be avoided: None

Substances to be avoided:

None described

Hazardous decomposition products: None described

11. Toxicological information Not described. No toxic effects are expected

when this product is handled appropriatey.

12. Ecological information Not described.

13. Disposal considerations Small quantities may be eliminated in the waste

water system

14. Transport information Not subject to transport regulations.

15. Regulatory information This product is not a hazardous material.

16. Other information

The information contained herin is based on the present state of our knowledge. It characterizes the product with regard to the appropriate safety precautions. It does not represent a guarantee of the properties of the product.
